Subject Index

ABORTION
for teenagers, American Academy of Pediatrics' statement (SR) 325
liberal State laws affect maternal mortality (CR) 419
New York State law, and women obstetricians *328
therapeutic, a methodology for planning services *983

ACCIDENTS
and trauma, establishment of a national surveillance system: data recording instrument 137
Critical Injury Index, Illinois (SR) 34
trauma victims spared by computer methods, Albany (N.Y.) Medical Center (SR) 31

ADMINISTRATORS
of nursing homes, regulations for State boards licensing them (SR) 605

AGED
employment and motivation for living (CR) 597
Jewish Institute for Geriatric Care, New Hyde Park, N.Y. (SR) 717
quality of life and the aged *919

AGING
keeping healthy after 60 by 2-way radio, Albany Regional Medical Program *582
Temple University studies (SR) 28

AIR POLLUTION
and cardiovascular deaths in Charleston, S.C. *623
and weather, interaction in their effects on health *50
atmospheric asbestos controls (SR) 223
model predicts carbon monoxide in city air (SR) 518

ALASKA
villages receive human services from aides *121

ALCOHOL
and health (April cover) 2
cigarettes and cocktails not good together (SR) 35
National Institute on Alcohol Abuse and Alcoholism education campaign (May cover) 2

ALCOHOLISM
legislation to deal with problems (CR) 428
program established in Philadelphia mental health center (CR) 434

AMBULANCE SERVICE
in Vermont improved (CR) 442
New York City Health and Hospitals Corporation experience in improvement; balancing costs with service *445
training medical technicians for, New Mexico *195

APPOINTMENTS, PERSONNEL
Batalden appointed Assistant Surgeon General 812
H. McDonald Rimple, director of National Health Service Corps 520
Herbert B. Woolley, first NIH economist ... 718

AQUATIC PLANTS
rooted, may be mercury link to man's food chain (SR) 133

ARMED FORCES
methadone programs of no value for soldiers on active duty (CR) 411
smoking and health program established at Fort Leonard Wood, Mo. (SR) 603

ASBESTOS
atmospheric controls (SR) 223

ATHEROSCLEROSIS *see* Heart Disease

AUTOMATED DATA PROCESSING
computer methods spare trauma victims from shock and death, Albany (N.Y.) Medical Center (SR) 31
D.C.'s vital records automated to speed copies *200
multiphasic screening, opinions of Rhode Island physicians *366
national system established for surveillance of injuries; data recording instrument ... *137

BEHAVIOR
compliance in health; effects of source, message, and audience characteristics *343
consistency in children's perceptions of vulnerability to health problems *282
first-born children more fearful than others (SR) 228
health, mothers' motivation as predictors of *852
interrelationship of preventive actions in health and other areas 969
public apathy a barrier to health planning programs (CR) 422
relationship between male sex hormones and aggression to be studied (SR) 224

BIBLIOGRAPHIES
developed in Tennessee, health data (SR) .. 509
National Library of Medicine (SR) 132, 719

BLADDER STONES
in Thai children, Thailand *25

CANADA
how Canadians pay their medical costs (SR) 318

CANCER
see also Hodgkin's Disease
incidence in selected populations, 1969 (SR) 128
lung, etiology, in northeastern Oklahoma; influence of smoking, occupation, and familial factors *743
lung, 20-year PHS study of uranium miners (SR) 228
ovarian, some epidemiologic variables *56
regional tri-State program, Massachusetts-New Hampshire-Maine (SR) 38
research; impending shortage of cytotechnologists *110

CARBON MONOXIDE
in city air, air pollution model predicts (SR) 518

CARDIOVASCULAR DISEASES
in Charleston, S.C., air pollution and deaths from *623

CENTRAL NERVOUS SYSTEM
new measure of activity, by determining if "silent speech" accompanies dreams (SR) 37

CHICANOS
failure of comprehensive health services to serve *932

CHILD HEALTH AND WELFARE
see also Teenagers
baby's first phone call (SR) 718
bladder stones in Thai children *25
consistency in children's perceptions of vulnerability to health problems *282
correlation-based estimation of early mortality *275
Denver developmental screening test compared with the Stanford-Binet test; evaluation of 298 preschool children *473
District of Columbia's pediatric nurse practitioners, a pilot program, Department of Human Resources *387
effect of a State law requiring immunization of school children *461
effects of malnourished mother on infant studied in monkeys (SR) 126
first-born more fearful than others (SR) 228
grant for home care nurseries for infants of working mothers (SR) 322
Head Start and Community Mental Health Centers, joint effort for children (August–September cover) 2
health of American Indian children; a summary of the literature *867
health supervision index to measure standards of child care *537
infants, can learning capacity be measured? (SR) 818
infant cardiac patients, New England Regional Infant Cardiac Program aids (SR) 817
interdependence of blood pressure, weight gain, and fetal weight during normal human pregnancy *236
iron and vitamin C and D deficiencies in a large population, Tennessee *232
laundry product hazards in nurseries (SR) 29
Lima, Peru; effectiveness of allied health workers in pediatric clinics evaluated (CR) 412
Maryland, anti-chickenpox serum bank established (SR) 605
methadone hydrochloride poisoning (SR) 320
new dental projects for poor children (SR) 605
new perspective on Head Start health care *575
parents of chronically ill children need genetic counseling (CR) 437
premarital counseling in California *304
sudden infant death, hearings (SR) 510
sudden infant death syndrome (PR) 133
testing children for early prevention of atherosclerosis (SR) 514
"What to Do About Children's Colds and Sore Throats" (PR) 320

CHINA
public health and politics in past two decades *895

CLINICS, FREE MEDICAL *see* HEALTH FACILITIES

COLDS
and sore throats in children, what to do (pamphlet) (PR) 320

COMMUNICABLE DISEASES
see also name of disease
proposed toll-free telephone reporting of notifiable, Nassau County, N.Y *633

COMMUNICATIONS
training of public information personnel in 50 Oklahoma county health departments *845
proposed toll-free telephone reporting of notifiable diseases, Nassau County, N.Y. *633

COMMUNITY HEALTH
Boston, mental health care integrated with primary medical system at Roxbury Comprehensive Community Health Center (CR) 432
community and professional participation in decision making at a health center; a methodology for analysis *336
educator, and environmental quality *947
emergency care crisis avoided in a rural community *977
in Baton Rouge, La. (CR) 596

CONFERENCE REPORTS
AMA Congress on Socioeconomics of Health Care 592
American Public Health Association, 99th annual meeting 406
1972 Public Health Conference on Records and Statistics and the National Conference on Mental Health Statistics; highlights of the 14th national meeting 708

CONGENITAL MALFORMATIONS
cleft lip and palate, epidemiologic studies *759
completeness and accuracy of reporting on birth certificates *43
reporting on birth certificates *830

CYTOTECHNOLOGISTS
impending shortage in cancer control program *110

DEMOGRAPHY
usefulness of factor and cluster analysis in grouping census tracts *154

DENTAL CARE
phosphate being tested as tooth decay preventive (SR) 225

DENTAL HEALTH
exhibition and reference collection at the Smithsonian Institution *291
fast temperature changes can damage teeth (SR) 520
new projects for poor children (SR) 605
of Puerto Rican workers; migrant health project, Massachusetts *456
partial defluoridation of a community water supply and dental fluorosis: final evaluation in Britton, S. Dak *451
starchy diets and tooth decay (SR) 321

DIABETES
effect of age, hours since last food, time of day, and ketonuria on 1-hour glucose tolerance *649
mellitus, a survey of sterilization procedures recommended to patients *357

DIARRHEA
warning issued on medicine idochlorhydroxyquin (Entero-Vioform) (SR) 603

DRUG ADDICTION
federally supported projects for addicts and drug abusers (SR) 129
heroin, malaria among users *545
LSD, pushers sell drugs .....
New York City, newly reported addicts younger since 1968 (CR) 434
NIMH-funded programs evaluated (CR) ... 409
single and multiple opiate users: addicts or nonaddicts? *185
social context of drug use (SR) 324
survey of six N.J. high schools (CR) 414
Vietnam, methadone programs of no value for soldiers on active duty (CR) 411

DRUGS
adverse reactions, national center needed to survey (SR) 38
effects, laboratory mice taught to control (SR) 134
methadone hydrochloride poisoning of children (SR) 320
single and multiple opiate users: addicts or nonaddicts *185
warning issued on diarrhea medicine, idochlorhydroxyquin (Entero-Vioform) (SR) 603

ECONOMICS, HEALTH
four options suggested to constrain hospital costs (CR) 418
how Canadians pay their medical costs (SR) 318
New York City Health and Hospitals Corporation's experience in improving ambulance service; balancing costs with services ... *445
physicians and payment mechanisms (SR) .. 602

EDUCATION NOTES
alcohol and other drugs of dependence, Carleton University, Ottawa 231
doctoral programs in sociomedical sciences, Columbia University 327
fellowships for doctoral and masters programs of study, University of Michigan School of Public Health 231
Fellowships in medical care organization .. 820
graduate curriculum to prepare nonmedical health directors, University of North Carolina School of Public Health 327
graduate degree programs in mental health statistics, University of North Carolina .. 136
graduate summer session in epidemiology, University of Minnesota 327
health administrators development program, Cornell University 231
internships and fellowships in clinical psychology, Pennsylvania Branch, Devereux Schools 231

EDUCATION NOTES—Continued
Mental health seminars scheduled for 1973 . 820
PhD program in social work and social science 820
safety in the laboratory, National Institute for Safety and Health, Cincinnati 327
Symposium on drugs and the unborn child .. 820
workshop on tobacco and alcohol dependencies, Bowling Green State University, Ohio 327

EGYPT
blindness prevalence rates; a comparison of random and self-selected samples of urban and rural residents, by age and sex *177

EMERGENCY HEALTH SERVICES
see also Ambulance Service
comprehensive nationwide system, challenge of 1970s (CR) 600
crisis avoided in a rural community *977
critical injury index, Illinois (SR) 34
health care during 30 mass assemblies in District of Columbia *99

ENVIRONMENT
quality and the community health educator .. *947

ENVIRONMENTAL HEALTH
air pollution and deaths from cardiovascular disease in Charleston, S.C *623
atmospheric controls for asbestos (SR) 223
biological apects of urban rat control *17
Environmental Engineering Intersociety Board certification examination (SR) 29
future of (CR) 412
global, U.S. objective (CR) 439
model predicts carbon monoxide in city air (SR) 518
performing arts can play vital part in change (CR) 441
programs, need for indexes for grade A super special health (CR) 413
virus isolated from contaminated well in southeastern Michigan *271

EPIDEMICS
influenza, in Pennsylvania *835

EPIDEMIOLOGY
asymptomatic male carriers found among gonorrhea contacts (CR) 411
casefinding and host participation concepts applicable to chronic diseases *671
of echovirus 30 aseptic meningitis; U.S. cases in 1968 ..... *638
ovarian carcinoma, some epidemiologic variables *56
studies of clefts; death certificates as supplementary sources of information *759
study to explain high lung cancer mortality in northeastern Oklahoma *743
Q fever outbreak in Los Angeles County, 1966 ..... *71

EPILEPSY
new "turban" transmitter pinpoints seizure focus (SR) 517

ERRATA
physician's assistants programs, review of 22 522
yusho, a poisoning caused by rice oil contaminated with polychlorinated biphenyls ... 522

ETHNIC GROUPS
three U.S. subcultures, a consideration of mortality *262
young blacks, reasons for increasing rates of suicide *3

EVALUATION
Denver Developmental Screening Test compared with the Stanford-Binet test, 298 preschool children *473
of NIMH-funded drug abuse programs (CR) 409
of triage system for pediatric clinic services, Lima, Peru (CR) 412
partial defluoridation of a community water supply and dental fluorosis: final evaluation, Britton, S. Dak *451
self-evaluation by clinics enhances efficiency (CR) 430

FAMILY PLANNING
see also Population Planning
acceptance, characteristics of clinic personnel may influence *782
Atlanta, Ga., hospital uses confession-type magazines to encourage birth control (CR) 439
attitudes of 30 American Indian women toward birth control *658
birth control method tried "after-the-fact" (SR) 41
grants, new regulations (SR) 132
steroid contraception and its effects on lactation, a public health dilemma; a review *611
use of skip tracing and regular methods to find and interview post partum women ... *562
vasectomy and psychosexual damage *803

FELLOWSHIPS
for biomedical science educators affiliated with colleges and universities for ethnic minorities (SR) 806
WHO, to U.S. workers for improvement and expansion of health services (SR) 509

FILMS
Spanish-speaking, promotes careers in medical laboratory (SR) 718

FINLAND
goals of health policy and medical research *749

FLUORIDATION
partial defluoridation of a community water supply and dental fluorosis: final evaluation in Britton, S. Dak *451

GENETICS
counseling, parents of chronically ill children need (CR) 437
"International Directory of Genetic Services" (PR) 33

GONORRHEA
see also Venereal Diseases
contacts, asymptomatic male carriers (CR) 411
in males, carbenicillin in the treatment of .. *762

GONORRHEA—Continued
Philadelphia's MDs brush up on Auto-Tutor (SR) 512

GRANTS
awarded to study heredity vs. environment in causing mental ills (SR) 508
family nurse practitioner (PRIMEX) program (October cover) 2
for development of test for proper dose of chlorpromazine (SR) 519
for family planning, new regulations (SR) 132
for home care nurseries for infants of working mothers (SR) 322
free clinics for migrants, Treasure Valley, Idaho *775
HSMHA, for sickle cell screening and education clinics (November cover) 2
migrant health project, Massachusetts; dental health of Puerto Rican workers *456
regulations adopted for lead-based paint poisoning (June–July cover) 2
to study sea mollusc for greater understanding of man's central nervous system (SR) ... 511

HANDICAPPED
space-age technology to help disabled (SR) 515

HEALTH AIDES
important variables influencing successful use *555

HEALTH CARE
appraisal of delivery in a free clinic in Galveston, Tex *727
during 30 D.C. mass assemblies ..... * 99
Federal role in improving (January cover) .. 2
improving delivery system, primary mission of HSMHA (CR) 709
policy issues in the 70s *879
programs, measurement of utilization *958

HEALTH CAREERS
for high school students, Health Sciences Careers Program, Johns Hopkins Medical Institutions *787
in New York State Health Department, veterans recruited for (SR) 225
pediatric nurse practitioners, a pilot program, D.C. Department of Human Resources *387

HEALTH DEPARTMENTS
New York, recruits veterans for health care careers (SR) 225
Oklahoma county, public information training and practices in *845

HEALTH EDUCATION
see also Sex Education
and research in medical care, the community corporation and its implications for *678
community, and environmental quality *947
comprehensive health services and urban Chicanos *932
enabler for a higher quality of life through *910
mental, for quality of life *941
old age and the quality of life *919
public information training and practices in Oklahoma County Health Department .. *845

HEALTH EDUCATION—Continued
Society of Public Health Education *955
National Institute on Alcohol Abuse and Alcoholism campaign on alcoholism (May cover) 2
the President's Committee (SR) 222

HEALTH FACILITIES
Derby, Conn., hospital assumes responsibility of public health department (CR) 436
free clinic, Galveston, Tex., appraisal of health care delivery *727
free clinics, care for all with local control (CR) 427
free clinics for migrants, Treasure Valley, Idaho *775
mental health center being built by Rutgers Medical School (SR) 129
Newport News (Va.) health center *501
Shawnee, Oklahoma, opens hearing clinic (SR) 805
State Hill-Burton agencies changing their functions (CR) 410

HEALTH LITIGATION
20-year survey shows health cases on appellate level up 190 percent (CR) 428

HEALTH MAINTENANCE ORGANIZATIONS
a strategy for the 1970s (CR) 408
development, concepts and benefits (CR) ... 407
Maryland, try nonphysician health team (CR) 443
qualification conditions (CR) 594

HEALTH OFFICERS
State and Territorial, focus on priority health issues *505

HEALTH PLANNING
Cayuga County and Cornell graduate students plan a health care system *496
community and professional participation in decision making at a health center; a methodology for analysis *336
community, in Baton Rouge, La. (CR) ... 596
factors affecting public support for medical care programs (CR) 422
National Institute for Occupational Safety and Health, cycle guide for project directors *311
of therapeutic abortion services, a methodology *983

HEALTH SERVICES
and phase 2 of price-wage controls; implications for noninstitutional providers (CR) 600
clinic self-evaluation enhances efficiency (CR) 430
comprehensive, failure to serve the urban Chicano *932
comprehensive, UAWA plan for national health security for all Americans, based on need (CR) 425
data, priorities in collection of (CR) 710
definitive data of activity needed to improve delivery of care (CR) 417
delusions about the future of Federal health programs (CR) 601

HEALTH SERVICES—Continued
Federal blueprint for health care in the 70s (CR) 593
Federal dollars for care (CR) 592
free clinics' hallmarks, care for all with local control (CR) 427
hearing clinic in Shawnee, Oklahoma (SR) . 805
important variables influencing successful use of aides *555
institutional reform (February cover) 2
jailhouse medicine, travesty of justice? *767
Maryland health maintenance organizations try nonphysician health team (CR) 443
Medical Committee for Human Rights' alternative to national health insurance (CR) . 426
National Health Service Corps teams filling manpower void *479
new perspective on Head Start health care *575
Newport News (Va.) health center *501
public hospitals bear onus of private hospital rejects (CR) 430
Weinerman Memorial Volume, selected papers and contributed articles on health services (PR) 811

HEALTH SERVICES AND MENTAL HEALTH ADMINISTRATION
alcohol and health (April cover) 2
assigns health teams to U.S. communities (March cover) 2
Family nurse practitioner (PRIMEX) program (October cover) 2
Federal role in improving medical care (January cover) 2
Funds to screen for sickle cell disease (November cover) 2
Head Start and Community Health Centers joint effort for children (August–September cover) 2
health care policy issues in the 70s *879
institutional reform (Richardson speech) (February cover) 2
National Institute on Alcohol Abuse and Alcoholism campaign on alcoholism (May cover) 2
regulations adopted for lead-based paint poisoning (June–July cover) 2
primary mission, improving health care delivery system (CR) 709
U.S. and Poland in scientific exchange (December cover) 2

HEALTH STATUS INDICATORS
the status of *212

HEART DISEASE
atherosclerosis and heart attacks related to overeating (SR) 131
casefinding and host participation concepts applicable to chronic diseases *671
contracts for research on acute heart attacks and sudden cardiac deaths (SR) 39
infants with, aided by New England Regional Infant Cardiac Program (SR) 817

INSURANCE HEALTH—Continued
HEART PACEMAKERS
sensitivity to electromagnetic radiation (SR) 31
HEPATITIS
infectious, outbreak associated with cafe water, Hatfield, Ark *164
type B, a clinical and public health problem (SR) 716
HODGKIN'S DISEASE
new way to describe extent (SR) 226
HOME CARE
nurseries, grant for program for infants of working mothers (SR) 322
HOSPITALS
costs, four options suggested to constrain (CR) 418
Derby, Conn., assumes responsibilities of a public health department (CR) 436
Illinois Hospital Admission and Surveillance Program certifies patients for length of stay (CR) 598
Jewish Institute for Geriatric Care, New Hyde Park, N.Y. (SR) 717
public, bear onus of rejects by private (CR) 430
HOSPITALS, MENTAL
Jarvis' law and the planning of mental health services; preliminary estimate of total utilization in Connecticut State hospitals *75
IMMUNIZATION
campaign to eradicate rubella, Lane County, Oreg *12
none needed for travel to Europe (SR) ... 320
of school children, effect of a State law ... *461
INDIANS, AMERICAN
attitudes of 30 toward birth control *658
children, health of; a summary of the literature *867
Navajo, use of multiple mycobacterial antigens in skin testing for tuberculosis among *863
southwestern, two weight-reduction programs; long-term results *530
INDIGENT
health care needs of the disadvantaged in six counties of New York State ..... * 81
new dental projects for poor children (SR) 605
INDUSTRIAL HEALTH
National Institute for Occupational Safety and Health, planning cycle guide for project directors *311
INFANTS
see Child Health and Welfare
INFORMATION SYSTEMS
criteria for a good statistical report *693
INFLUENZA
epidemic in Pennsylvania *835
INSURANCE, HEALTH
Blue Shield's role by 1976 (CR) 596
how Canadians pay their medical costs (SR) 318
midwife services introduced in prepaid group practice (CR) 423
national Medical Committee for Human Rights plan, an alternative to (CR) 426
national partnership plan for (CR) 438
physicians and payment mechanisms (CR) .. 602
private insurers' changing role (CR) 595
INTERNATIONAL HEALTH
global, U.S. objective (CR) 439
LABORATORY TESTS AND TECHNIQUES
automated micro-hemagglutination assay for antibodies to *Treponema pallidum;* evaluation *93
use of an oxidation-fermentation medium in the identification of yeasts *172
use of bentonite flocculation test for diagnosis of schistosomiasis, standardization and evaluation *550
LAOS
health survey along the Mekong River *205
nutritional status of villagers *145
LAUNDRY PRODUCTS
hazards in nurseries (SR) 29
LAWS AND REGULATIONS
Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (CR) 428
effect of a State law intended to require immunization of school children *461
for alcoholism (CR) 428
for State boards licensing administrators of nursing homes (SR) 605
liberal State abortion laws affect maternal mortality (CR) 419
New York State law and women obstetricians *328
LEPROSY
seminars at Carville, La. (SR) 608
LEUKEMIA
mortality rate, estimated maximum; relationship of age at death to calendar year of—study of three populations *61
LIBERIA
fertility survey, factors that affect casefinding; enumeration, enumerator, and vital events characteristics *247
LIVER
red protein substance, cytochrome P–450, isolated from (SR) 30
MALARIA
among heroin users *545
research and control, Central America Malaria Research Station, San Salvador ... *697
MANPOWER
see also specific categories
Applied Statistics Training Institute's courses up number of statisticians (CR) 408
expanding the health team to increase supply of (CR) 599
HSMHA assigns health teams to U.S. communities (March cover) 2
health, National Health Service Corps teams filling void *479
health, prospective for planning *399

MANPOWER—Continued
Maryland's health maintenance organizations try nonphysician health team (CR) 443
medical technicians, emergency, in New Mexico *195
mental health education, Boston *351
New York State Health Department recruits veterans for health careers (SR) 225
pediatric nurse practitioners, a pilot program, D.C. Department of Human Resources . *387
physician's assistants, survey of attitudes of proper use *467
program of continuing education in public health; alternative to current MPH degree program *702
public health workers in the labor force ... *721
public health workers, training in mental health (PR) 812
residencies in public health and preventive medicine, D.C. Department of Human Resources (SR) 813
surveyors, to oversee nursing homes and extended care facilities *114
use of physician's assistants in Gilchrist County, Fla *687
veterinarians, more needed by 1980 (PR) .. 809
Veterans Administration training of health workers (SR) 322

MARIJUANA
social context of drug use (SR) 324

MASS ASSEMBLIES
health care during 30 in District of Columbia *99

MATERNAL HEALTH
American Academy of Pediatrics' statement on teenage pregnancy and abortion (SR) 325
Atlanta, Ga., hospital uses confession-type magazine to encourage birth control (CR) 439
effects of mother's malnutrition on infant studied in monkeys (SR) 126
family planning acceptance may be influenced by characteristics of clinic personnel *782
interdependence of blood pressure, weight gain, and fetal weight during normal human pregnancy *236
liberal State abortion laws affect maternal mortality (CR) 419
New Orleans, indigent pregnant women require tuberculosis control measures *737
nurse-midwife services introduced in prepaid group practice (CR) 423
parents of chronically ill children need genetic counseling (CR) 437
steroid contraception and its effects on lactation, a public health dilemma; a review . *611
toxoplasmosis, pregnant women warned (SR) 515
training maternal and child health personnel from other nations *588
use of skip tracing and regular methods to find and interview post partum women .. *562

MEASLES *see* Rubella

MEDICAL ASSISTANCE
how Canadians pay their medical costs (SR) 318
midwife services introduced in prepaid group practice (CR) 423

MEDICAL CARE
and health, the community corporation and its implications for education and research *678
definitive data needed to improve delivery of care (CR) 417
Federal role in improving (January cover) . 2
hospital costs, four options to constrain (CR) 418
Illinois State Medical Society's Foundation for Medical Care (CR) 598
methodology for planning of therapeutic abortion services *983
No easy solutions to nation's problems in (CR) 601

MEDICINE, PREVENTIVE
see also Screening Programs
and public health, residents trained in, D.C. Department of Human Resources (SR).. 813
interrelationship of preventive actions in health and other areas *969
phosphate being tested as tooth decay preventive (SR) 225
public health and politics in China's past two decades *895
tuberculosis casefinding analysis, Denver, Colo., 1965–70 ..... *375

MENINGITIS
aseptic, associated with echovirus 30, epidemiology; U.S. cases in 1968 ..... *638

MENTAL DISORDERS
impact on families (SR) 34
schizophrenics, short- versus long-term care (SR) 227

MENTAL HEALTH
and quality of life *941
Boston, Roxbury Comprehensive Community Health Center, integrated with primary medical system (CR) 432
cognitive psychology issue of British Medical Bulletin (SR) 37
education, Boston *351
Head Start and Community Mental Health Centers, joint effort for children (August–September cover) 2
heredity vs. environment, NIMH grant (SR) 508
Jarvis' law and the planning of services; preliminary estimate of total utilization in Connecticut State hospitals *75
Philadelphia center integrates alcoholism into program (CR) 434
reasons for increasing rates of suicide among young blacks *3
statistics, role in improving programs (CR) 711
training of public health workers in (PR) .. 812
vasectomy and psychosexual damage *803

MERCURY
in human tissues investigated by researchers (CR) 426
in man's food chain, rooted aquatic plants may be link (SR) 133

MICROENVIRONMENT
